LOCAL LAW NO. _____ (Intro. #1) of 2005
"REINVEST IN TROY EXEMPTION (RITE)"
A LOCAL LAW CREATING CHAPTER 82
OF THE CODE OF THE CITY OF TROY CREATING
PARTIAL EXEMPTION FROM REAL PROPERTY TAXATION
FOR CERTAIN HOME IMPROVEMENTS PURSUANT TO
SECTION 421-F OF THE NEW YORK STATE REAL PROPERTY TAX LAW

WHEREAS, Section 421-f of the NYS Real Property Tax Law authorizes the adoption of a local law to grant real property tax exemptions for certain home improvements;

BE IT ENACTED by the City Council of the city of Troy as follows:

Chapter 82 of the City Code is hereby created as:

The Home Improvement Exemption.

82-1 Exemption granted.

Residential building, which for the purposes of this Article shall mean any building or structure designed and occupied exclusively for residential purposes by not more than two families, that are reconstructed, altered, or improved shall be exempt from taxation levied by the City of Troy on the increase in assessed value attributable to such reconstruction, alteration, or improvement to the extent provided hereinafter, pursuant to

section 421-f of the New York State Real Property Tax Law. The length of said exemption shall be eight years.

Such exemption shall be computer in accordance with the following table:

<u>Year of Exemption</u>	<u>Percentage of the “exemption base” exempt from tax</u>
1	100
2	87.5
3	75
4	62.5
5	50
6	37.5
7	25
8	12.5

82-2 Exemption base and market value defined.

A. The “exemption base” shall be the increase in assessed value as determined in the initial year of the term of the exemption, except as provided in subparagraph (B) of this section.

B. In any year in which a change in level of assessment of 15% or more is certified for a final assessment roll pursuant to the rules of the state board (ORPS), the exemption base shall be multiplied by a fraction, the numerator of which shall be the total assessed value of the parcel on such final assessment roll (after accounting for any physical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator of which shall be the total assessed value of the parcel on the immediately preceding final assessment roll. The result shall be the new exemption base, notwithstanding the fact that the assessor receives certification of the change in level of assessment after the completion, verification, and filing of the final assessment roll. In the event that the assessor does not have custody of the roll when such certification is received, the assessor shall certify the recomputed exemption in a manner authorized by the New York State Real Property Tax Law.

C. The exemption shall be limited to a maximum of \$80,000 in increased market value of the property attributable to such reconstruction, alteration, or improvement and any increase in market value shall not be eligible for an exemption pursuant to this Article. The market value of such reconstruction, alteration, or

improvement shall be equal to the increased assessed value attributable to such reconstruction, alteration, or improvement divided by the most recently established state equalization rate or special equalization rate, unless such rate is 95% or more, in which case the increase in assessed value attributable to such reconstruction, alteration, or improvement is to be considered equal to the market value.

Eligibility Requirements for Exemption.

No exemption pursuant to this Article shall be granted for reconstruction, alteration, or improvement unless:

- (1) such reconstruction, alteration, or improvement was commenced subsequent to the effective date of this Article.
- (2) the value of such reconstruction, alteration, or improvement exceeds \$3,000.
- (3) the greater portion, as so determined by square footage, of the building reconstructed, altered, or improved is at least five years old.
- (4) the property for which the exemption is sought must be a one- or two-family residence.
- (5) the reconstruction, alteration or improvement is not ordinary maintenance or repairs.

82-3 Exemption discontinuance.

A. In the event that a building granted an exemption pursuant to this Article ceases to be used primarily for residential purposes or title thereto is transferred to other than the heirs or distributees of the owner, the exemption granted pursuant to this section shall cease.

B. Upon determining that an exemption granted pursuant to this Article should be discontinued, the assessor shall mail a notice so stating to the owner or owners thereof at the time and in the manner provided by section five hundred ten of the NYS Real Property Tax Law. Such owner or owners shall be entitled to seek administrative and judicial review of such action in the manner provided by law, provided that the burden shall be on such owner or owners to establish eligibility for the exemption.

82-4 Time to file application.

Any exemption pursuant to this Article shall be granted only upon application by the owner thereof on the form prescribed by the state board. The application shall be filed with the Assessor of the City of Troy on or before the taxable status date of March 1 to be eligible for an exemption to be entered on the assessment roll prepared on the basis of said taxable status date. Improvements to residential buildings must be completed to qualify for the exemption pursuant to this Article.

82-5 This Local Law shall take effect immediately upon its filing with the Secretary of State.
